Navigation Safety Bylaw 2016 on Lake Tekapo

The Canterbury Regional Harbourmaster's Office, after consultation with user groups and the local community board, have made some changes to the Navigation Safety Bylaw 2016 on Lake Tekapo.

During the past few years the use of powered and non-powered vessels on Lake Tekapo has increased and as a result of this the Harbourmaster's Office has reviewed the Navigation Safety Bylaw 2016 to ensure the Bylaw reflects the actual use of the lake, making it a safer place for all users.

The passive area for paddleboards on the shoreline extending east from the boat ramp has been increased to allow safer use of this area.

Three new access lanes have been created at The Willows, Deep Beach and The Clay Cliffs to allow vessels to safely navigate to and from the beach when towing.

The speed uplifted zone on the main Tekapo beach has been extended to the intake (not including the intake) and reduced at the South East end of the beach to allow for non-powered vessels and swimmers.

These changes are for a trial period of up to two years and will be reviewed then.

Lake Opuha - 21 Years Celebration

It's 21 years since Lake Opuha was created with the construction of the Opuha Dam that was officially opened 7 November 1998, by the Mackenzie District Mayor Neil Carmichael Anderson.

To celebrate this milestone and showcase the lake to South Canterbury, Opuha Water Ltd, are holding a free Family Fun Day on 3 November. It will be held at the picnic and camping area off Bennetts Road and will be signposted from Fairlie. There will be a wide range of free fun games, activities, food and live music/entertainment. The super talented Drama Queens will be on stage along with Sport Suzi – a street entertainer and circus act from Christchurch.

There will be the usual fairground fun games like bouncy castles, giant table games and entertainers along with an exhibition of photographs of the lake and dam. A minibus will provide tours to view the Dam. There will be coffee and food stalls, however Fairlie locals are encouraged to come along for the day, bring the family and a picnic chair and enjoy the entertainment and the stunning setting.

It is surprising how many people in South Canterbury have never visited Opuha. The Fun Day is the perfect excuse to showcase the Lake and bring together the various communities that use and benefit from Lake Opuha. We hope the sun will be shining and everyone will need sunblock. Unless it's atrocious conditions, the day will go ahead. Look out for up to date info on the Lake Opuha Family Fun Day Facebook page and dress for the weather.

Support NZ Pink Ribbon Breast Cancer Raffle
 Tickets available from Heartlands or contact Janine 027 413 7504

"Cheering up in the heat of battle !"

Gary McCormick and Sir Tim Shadbolt are carved from the material from which heroes are made!

In the run up to the Local Body elections, Sir Tim has saddled up his electoral horse and taken to the highways and byways of New Zealand to explain his "greater vision" for the country.

"As the longest serving Mayor, living or dead (there is some debate as to which I am), in the lead up to the election, I am hitting the road to determine the mood of the country. From way back in the Sixties, when I wrote *Bullshit and Jellybeans*, I think I have had my fingers on the pulse of the Nation. I'm going to check it out again in a series of comedy shows with Gary McCormick."

McCormick agrees that Sir Tim has always been the "Doctor Ropata" of the New Zealand scene. "Sir Tim has always been able to diagnose the nation's sore points long before the others."

The McCormick and Shadbolt Comedy Show is a rough and tumble debate in the manner of the old style political meetings from the last Century when it was not necessary to be polite.

"Our current Prime Minister is so lovely and perfect that its very difficult for Tim and I to get a foot in the door. And lets not even talk about baby Neve !" says McCormick. "Nonetheless it's important that baby-boomers – who after all have all the money, have a voice. Sir Tim and I will supply that in spades !"

MACKENZIE HALF MARATHON
Saturday 11 April 2020

It started off as just a training run. After the second time, the comment was made, "Gosh, that would make a great half marathon course!" and it took the other half to say "Yep, let's do it!" So, with a few course adjustments (don't really want the race to start and finish at our home) it is actually happening. The inaugural Mackenzie Half Marathon is going ahead right here in Fairlie Easter Saturday next year!

We invite Fairlie businesses to go in the draw to win a smoko shout for their staff in recognition of Breast Cancer Awareness - Pink for a Day!

Send your entry - staff photo (go the pink theme!) to fairlie@xtra.co.nz by **Friday 25 October**

Don't be daunted by thinking you have to run/walk 21.1 km because we also have a 10 km and 5.5 km option - suitable for every ability. We want it interesting, so both the 21.1 km and 10km races have a river crossing or two. The added bonus is that anyone who tackles the 21.1 km gets to enjoy the beautiful views of Fairlie and surrounding area. Truly amazing and worth taking a camera with you. Just a wee undulation!

The Fairlie Lions Club are the main sponsor and all the profit will be given to them to go straight back into the community. XCM from Timaru have also come on board and when you go on the website to book your spot you will want to order one of the singlets, T shirts, cap or hoodie that is on offer!

A huge massive thanks goes to Chris Clarke who has spent hours getting the website up and running. My computer knowledge amounts to locating the ON switch! Chris has done an awesome professional job and has made registering for the event so easy!

At the prizegiving we will have a wonderful array of spot prizes donated by local businesses and individuals. Thank you to the businesses that have already donated products and vouchers and thanks in advance to others as we come around for a visit and chat! We are always open for donations from people, so if you have a bottle of wine or something you feel could be enjoyed by someone who has just completed a run then please drop it to Heartlands. Remember... everything goes back into the community .

We are in the process of organising the finisher medals and I have to say they are looking pretty stunning! Every person who competes will receive a medal. I am sure you will be wanting to wear a inaugural Mackenzie Half Marathon medal around your neck!

You will find that we have kept the prices low as we want everyone to come and enjoy a great event. If you are on facebook look up the Mackenzie Half Marathon page. Updates are being posted all the time.

Registrations are open right now so go to the website www.mackhalfmarathon.co.nz and register and don't forget to share it with your friends and family.

Mackenzie Junior Netball

Saturday morning Junior Netball is finished for the season and it has been a great season for all involved.

A big thank you to Sarah O’Leary who did a fantastic job developing the Year 5-6 players in the Mackenzie Storm, some of whom had never played netball before. Emily Murray and Hamish Zuppichich coached the Year 6 Mackenzie Ferns who had a fantastic fun season with some very competitive games. The Year 7-8 Mackenzie Aces coached by Emma Herrick and Angela Habraken played their first year of 7 a side netball and loved adapting to the new game and finding their favourite positions on court. At our end of season prizegiving cups were awarded for Most Improved to Rebecca Boon and for Player of the Year to Hope Herrick.

A big thank you must go out to our sponsors who keep us looking good with our uniforms as well as making sure we have the right equipment to train well. Carters Tyres Fairlie, Kevin Hessel Shearing, Farm Barn Café and Ritchies Timaru. We thank you for your support and enabling us to keep costs down for parents.

With 58 players registered, 2019 was our biggest season yet. We hope that all players will continue with their netball journey and look forward to seeing them in 2020!

Congratulations to Averil Anderson! Averil qualified for the NZ Golf’s Aotearoa Cup best nett competition and was placed 6th in New Zealand.

Averil is pictured receiving her award from Shona Bensemann, Aorangi Golf representative.

Congratulations to Anne Anderson on winning the Aorangi Bronze B Champ of Champs held in Fairlie on Thursday 17 October 2019. Anne qualified for this event by winning the local Bronze B champs when she played Jo O’Neill in the final.

TALKING ABOUT ANXIETY!

Can't get rid of that nervous, panicky feeling? You are not alone in this! Part 1 of 2

We can all get stressed or anxious sometimes. Worried or afraid of something happening, or obsessed about something happening in a certain way - so you're no exception. A bit of stress is fine, sometimes it can help get things done. What's not OK is when the anxiety gets so absolutely overwhelming that it stops you from doing things and makes you feel totally miserable. Having an anxiety disorder means that this response is causing you more problems than good.

For lots of people with an anxiety disorder, a common symptom is having lots of worried thoughts in your head which you know are unhelpful (or even silly) but are hard to stop. These thoughts, which are often negative, keep replaying in your mind, and it just makes the anxiety or fear get worse. Anxiety disorder can also make you react more quickly or more intensely to situations. It even causes physical symptoms so strong people feel like they might have a heart attack.

It is not the same for everyone, but here are some of the common signs and symptoms. Different types of anxiety need different types of treatments. For mild anxiety self-help techniques can be really helpful. But for more severe anxiety, you'll need some help from the pros - they've got powerful tools like therapy and medication.

Call the Fairlie Medical Centre and make an appointment!

TENNIS ANYONE?

Begins Tuesday 29th October 6.30 pm
Social tennis for adults begins on the first Tuesday after Labour Weekend.

Same old story – heaps of people say they are interested so now this is your chance to put your racquet where your mouth is!

Burkes Pass, South Canterbury, speed limits under review

The NZ Transport Agency has announced formal consultation on the speed limit through the South Canterbury township of Burkes Pass, the entrance to the Mackenzie Country.

Residents and the Mackenzie District Council have been calling for a speed review in Burkes Pass for some time, concerned at the speed people have been travelling on State Highway 8, and the risk this poses to pedestrians and other road users.

Jim Harland, Director of Regional Relationships for the Transport Agency, says that the Agency has recently been having further discussions with residents as well as with the Council, the police and local businesses about the speed limit in the town.

"We agree that the current limit is not safe. We are proposing to reduce it from 80km/h down to 60km/h to improve safety, especially for the pedestrians who cross the highway."

Burkes Pass has commercial activities on both sides of the road, and it is a popular stopping point for tourists travelling on SH 8, says Mr Harland. "Many people stop to visit the historic church, shops or to make use of the public toilets. With the township located on a curve in the road, sightlines are reduced for both pedestrians and drivers pulling onto the highway."

There was a call by some residents to reduce the speed even further, down to 50km/h. While this was considered by the Transport Agency, it was not deemed appropriate, Mr Harland says.

Formal public consultation on the proposed changes to the speeds in Burkes Pass will run from 21 October to 4 November 2019. Further information and on-line options to make submissions on these proposals can be found on www.nzta.govt.nz/Canterbury-speed-reviews

Tekapo

The speed limits through Tekapo are also in the process of being reviewed. The current and planned significant growth of the town makes this a more complex review. The Agency is therefore gathering additional technical information, including data on the volume and speed of traffic in the township, as well as the location and crossing behaviour of pedestrian activity. This information, together with the recent community and stakeholder feedback received, will help inform proposals for the speed limits which will then go to public consultation.

The Safe Network Programme

The NZ Transport Agency is currently identifying roads where reviewing speed limits could make a big difference in preventing deaths and serious injuries, and where communities are calling for change. Cont ...

Petronella's

GALLERY AND BOOKSTORE

SATURDAY 26 OCTOBER - NZ BOOKSHOP DAY

In conjunction with The Twizel Bookshop we are celebrating New Zealand Bookshop Day followed by a week of exciting competitions to celebrate Petronella's first birthday.

11 am in Tekapo: Harriet Bremner will talk to children and parents about the books she wrote after the loss of her partner in a tragic farm accident.

2 pm in Tekapo: Ruth Entwistle Low will talk about her latest book *The Shearers* and local legend Tony Dobbs will do a blade shearing demonstration.

This exciting day will be followed by a week of competitions to win beautiful books. Head to our website and sign up to our newsletter for more information or follow us on Facebook www.petronella.co.nz or call 021 154 1014.

Jump Start to School

Our Jump Start to School programme is an initiative we will have running again in Term 4 2019. This programme is available to four year olds in the district who may be interested in beginning their schooling journey at Fairlie Primary School.

The programme will run from **2pm - 3pm on Wednesday afternoons, in Korimako, our New Entrant classroom. The first session is Wednesday 23rd October.**

See our live calender on our website www.fairlie.school.nz for confirmations on dates.

During these afternoons children will get to: explore our space, get to know the teachers and the classroom environment as well as continuing friendships from kindergarten, pre-school and the wider community. Parents and Whānau will have the opportunity to meet other parents in a relaxed environment, become familiar with the classroom environment and meet the teachers.

You do not need to enrol in this programme, just sign in at our office and pop over to Korimako.

If you have any questions contact Courtney on courtney@fairlie.school.nz. We look forward to seeing you there.

Fairlie Primary School

You might have seen a bunch of happy hi-vis kids out and about around town on their bikes recently. The Fairlie Primary School senior students have been doing some training in preparation for their school camp which will take place in Twizel next month. The cyclists have enjoyed completing rides around The Reserve and the Jack Lovelock Track.

We are a purpose built preschool offering the highest standard of early childhood education for children aged 0-6 years.

Open 8 am—5 pm
Monday—Friday
(including school holidays)
We offer 20 hours ECE and WINZ subsidies are available.

Fairlie Area Kindergarten Holiday Programme

Another very successful holiday programme was held during the recent term break. Teachers Anne Mitchell (pictured) and Marie Robinson once again provided many wonderful learning opportunities. Tamariki (children) enjoyed experiences such as cooking on an open fire, baking and being supported in creating through the visual arts. The success of this programme has ensured that it is offered every term break.

Ice Hockey Representatives

Jack Hellmrich has just played the season in the Dunedin Thunder Under 18's team at the age of 14. Last week the National Championships were played over four days in Dunedin. They ended up playing off for 3rd Place against Canterbury and came home with the Bronze medal winning 8-4. Their coach was the captain of the Mens National team, Paris Hyde. Isaac Ryall also played in this team but was unable to play in the bronze medal game. In addition to this, last January, Jack Hellmrich was selected to take part in the National Under 16 Development Squad in Auckland.

Two weeks earlier, Gracie Hellmrich and Hamish Ryall played in the same tournament in Dunedin for the Under 15's. Jaimie Linton, Mike Byke and Lain Hellmrich were the coaches and we came away with the Gold medal in the National Championship against Auckland. A great achievement for two local players. Also playing from the Tekapo club was Sam Power and Oliver Linton.

OPERATION CHRISTMAS CHILD (A Project of Samaritan's Purse) Packing Day October 25th

Millions of children around the world struggle daily with war, poverty, famine and disease. Through a simple gift-filled shoe box, you can share God's hope and joy in a tangible way with children in need. The shoe boxes we fill in Australia and NZ go to Southeast Asia and the South Pacific Islands.

Every Shoebox Carries a Story ... *At just 11 years old, Sokmey carries the burden of looking after her siblings every day while her parents work. One day a shoebox from Operation Christmas Child brought unexpected joy and delight to the young girl's life. As she opened her box, Sokmey was overwhelmed to see what was inside and carefully examined every item. Her eyes lingered on the dolls and then on a Cinderella picture book, which quickly became her favourite possession. "I had never received a gift before, I was so excited," Sokmey said. Her new favourite pastime is sitting in a hammock reading the fairytale to her younger sister! Even though I had toys growing up, the dog was an item you couldn't find in my country. It was really soft and had puppy eyes. It was my new best friend, my newfound treasure. The toys were the most important things to me as a 9-year-old but it also stood out that the letter in the box said, 'I am praying for you.' I still have my stuffed dog 14 years later. That's a glimpse of how much the shoebox meant to me because it was packed with love and prayer. It wasn't just any dog, I could tell she specifically chose that dog for me and wanted to use it to communicate God's love."*

What started off as a family project has now turned into a Community project. While I missed getting this in the last issue, through a Facebook Community Page post, the word has spread. Some schools have supported the idea which is great. The Heartlands Resource Centre are a 'Drop-Off' point for donated items/cheques.

Now, we are asking for YOUR help. Please help with Operation Christmas Child by: **Donating items or funds** - pick up a brochure OR shoe box at the Heartlands Resource Centre, call me (Jodi 685-8181) or look online www.operationchristmaschild.org.nz (please nothing that can leak or melt, no food, nothing damaged/breakable and all items new or as-new) or by donating money (cheques payable to Samaritan's Purse, or cash, which will go to cover the shipping costs. Each box is \$10 for shipping - our community usually sends about 70 boxes!

We will be having a packing afternoon on Friday 25th October from 2 pm at 103 School Road, Fairlie. I have to take all of the boxes to Timaru on October 29th. I do take donations year round and store them.

COMMUNITY DROP OFF POINTS (ITEMS & CHEQUE/CASH): Heartlands Fairlie Resource Centre and 103 School Road, Fairlie. Contact: Jodi Payne 685-8181

Arts on Tour 2020 – Shows for Fairlie!

We have already received confirmation and the dates for the shows we have booked - coming to Fairlie in 2020:

- ◇ The first show is in July – with performances for both children and adults – in the depth of our winter!
Kitchen Chaos! With Rollicking Entertainment is a fabulously funny fiasco from the team that brought you the Messy Magic Adventure. When magic is accidentally let loose in the kitchen, everything is turned topsy-turvy with the help of Spray and Wipe! That's for Sunday 19th July!
- ◇ Then a couple of weeks later we host the performance of **Daylight Atheist** by award winning satirical cartoonist Tom Scott. Actor Michael Hurst plays the ageing Irish raconteur Danny Moffat, who looks back over his life, from growing up in Ireland to the hopes and disappointments of immigration in to New Zealand. Comedy in the coldest of days! Just what we need.
- ◇ The inventive, highly rhythmic percussion group **From Scratch** is like no other and brings their unique performance to Fairlie September 17th. A fantastic percussion group – great for both school kids and adults.
- ◇ Hop aboard a journey of the mind through song and story, about New Zealand's on and off love affair with passenger rail. Rail Land with Anthonie Tonnon comes to Fairlie 17th November!

DIY Cleaning Product Recipes

You will need: Empty Spray Bottles, measuring cups/spoons
Ingredients: Strong white vinegar, baking soda, liquid soap
Extras: essential oils, lemons, rubbing alcohol

NOTES: Liquid soap would ideally be a natural castile soap or, even better, soap nuts liquid. Essential oils for scent can be your choice but for antibacterial properties tea tree or eucalyptus is good. And don't forget to label your bottles!!

KITCHEN

Bench Tops & Surface Cleaner
Shake equal parts water and vinegar in your spray bottle.
For granite, use 1 Cup rubbing alcohol + 3 Cups water + 1 Tbsp liquid soap.

Chopping Board
Rub 1/2 lemon over the board surface. Leave for 10 minutes and rinse off.

HOPE FOR ALL

Anyone is welcome to come along and explore this message of HOPE at an informal, mixed age discussion group.

Tuesdays at 10.00 am

103 School Road, Fairlie - Jodi Payne 685 8181

Wednesdays at 7.30 pm

www.hopeproject.co.nz and www.10daychallenge.co.nz

ECO ETHEL

REFUSE!! *No one said it would be easy to make all these changes, but if every person began right now, little by little, the effect would be enormous.* Here's the top 4 things that don't belong in your recycling bin: When these items are included they often prevent the rest of your bin from being recycled.

- **SOFT PLASTIC PACKAGING** Soft plastic packaging like cling film, chip packets, lolly wrappers and salad/produce bags can't be recycled in the green bin. Avoid using this type of packaging where possible
- **ANYTHING SMALLER THAN THE PALM OF YOUR HAND** Anything smaller than a Post-It is too small to be recycled. Bits of tin foil can be clumped together. If the piece of rubbish is smaller than a Post-It note, even if it's made of a recyclable material, it can't be recycled by a sorting machine. This includes things like gum wrappers and paper scraps. Where possible, clump tin foil together into a larger ball
- **FOOD-CONTAMINATED CONTAINERS** Food-contaminated containers, including cans and pizza boxes are no-go's. Best practice is to scrape food off of, rather than washing these. If your Domino's box is greasier than your face was in Year 10, it's one for the bin.
- **FROZEN CONTAINERS AND DISPOSABLE COFFEE CUPS** It's tempting to think cups are recyclable because of the soft cardboard they're made from, but the same chemical that keeps your latte firmly inside its cup prevents it from being recycled. The same goes for cardboard that has been frozen, as this adds a waxy coating to its exterior. Some coffee cups are compostable, but be sure to check their labels. The lids definitely are not.

Notice to all Dogs!

Please remind your owners that you don't know how to pick up your own poo so they are expected to do it! There is a growing pile of poo from wandering dogs and those on a leash about Fairlie! Is disgusting!

Tekapo Community Hall
8 Aorangi Crescent, Lake Tekapo 7999

We anticipate that this will be a popular event and we'd like to plan for numbers attending. Please RSVP by Friday 25 October to msccomtrust@xtra.co.nz

Come along and meet with your local funders and community support agencies!

Presentations will include information from Trust Aoraki, the Mackenzie District Council, the Community Trust of Mid and South Canterbury, Perpetual Guardian, the Department of Internal Affairs, Alpine Energy, Environment Canterbury, and the Aoraki Foundation along with supporting information from Volunteering Mid and South Canterbury, supported by the Mackenzie Community Development Project (Heartlands Fairlie Resource Centre).

First Aid Courses in Fairlie:

First Aid courses are run in Fairlie each year. The certification of First Aid is every two years.

We have had **Workplace First Aid** start a course two years ago and is due to run again this November 28th. Every alternate year, we had **Meditrain First Aid** run their first aid course in Fairlie for the first time last year and this course will run again in 2020.

Recently, we just had the Red Cross run a short two hour course that enabled you to learn the basic skills that we should all have. If you missed out attending this short, sharp course and would be keen to attend, the next time the Red Cross come to Fairlie, please get in touch and if we get a minimum of 10, we could arrange to have this 2 hour course run again – free to our community members. Thanks to Red Cross and Mackenzie Community Development Project.

Tai Chi Dave Thew DVD:

If you would like a copy of the DVD, please come and see Kylie or email/text her. This DVD demonstrates the 10 positions that were taught to a group last year – it takes approximately 10 minutes to do, so unfortunately this is not long enough to run a course but would be great to get together with friends and give it a go!

Mackenzie Community Library News

Jackie will be running another free two-hour Stepping Up course on basic cell phone use on Thursday 31st October, 4.30-6.30 pm at the library. Please let library staff know if you'd like to take part.

Did you know that reading helps to build resiliency? Reading about others' experiences can help us to cope with problems in our own lives by realising that we are not alone and discovering ways to overcome adversity. There are many inspirational books written by people who have faced challenges and bounced back – just ask a librarian to point you in the right direction.

For those of you who are waiting for the sixth Lucinda Riley book in the Seven Sisters series, it is due to be released on 29th October. There is a reserve list already, so don't forget to add your name to the list – we may have to purchase two copies to fill demand!

Here are some more new releases due to be published that we have ordered for the library:

- Blue Moon (Jack Reacher #24) by Lee Child
- Sword of Kings (Last Kingdom #12) by Bernard Cornwell
- Guilty Not Guilty by Felix Francis
- The Guardians by John Grisham
- Agent Running in the Field by John le Carre
- The End of the Ocean by Maja Lunde
- The Giver of Stars by Jojo Moyes
- The Starless Sea by Erin Morgenstern
- The Rise of Magicks (Chronicles of the One #3) by Nora Roberts
- The Body: A Guide for Occupants by Bill Bryson

The Fairlie Garden Club kicked off the 2019 season with a trip to Ashburton on 16 September. Thanks to the efforts of Anne Mitchell and Sheryl Bishell two gardens were made available for the group to visit.

Ally Saunders's quite large garden on Smithfield Road had a lovely display of hellebore around the house and raised gardens with a variety of floral treasures also many hedged gardens which contained some very special iris and primrose. But undoubtedly the highlight was when two Army Iroquois helicopter landed very close by at the Ashburton airfield. The soldiers would not have expected to have 23 lady gardeners waving to them as they took off again. A visit to Mary Watson's garden on Milford Road also had some treasures in her collection of hellebore and a very special viburnum caught the eye of several members. The outing finished with a stop at Lushingtons in Ashburton for coffee and some retail therapy.

Rhubarb Muffins

You will often find free rhubarb outside Heartlands at this time of year!

100 g butter, melted	1 c brown sugar
2 eggs	1/2 tsp baking soda
1/2 c milk	2 c flour, sifted
2 tsp baking powder, sifted	Sprinkle of cinnamon
1 1/2 c rhubarb, chopped into 1cm pieces	
Icing sugar, to dust	

1. Preheat oven to 200°C (180°C fan-forced).
2. Grease a 12-hole regular muffin tin.
3. Beat the butter and brown sugar together until it pales. Add the eggs and continue to beat for 1 minute.
4. Dissolve the baking soda in the milk and add to mixture.
5. Fold in the flour and baking powder. Add the rhubarb pieces, reserving enough for the tops. Mix until just combined.
6. Spoon into muffin tins. Add the reserved rhubarb pieces to the top of each muffin. Sprinkle that cinnamon over them!
7. Bake for 15-20 minutes until a skewer comes out clean.
8. Rest for 5 minutes before removing the muffins from the tin.
9. Dust with icing sugar and serve with soft butter.

Do you and the ones you love, know this information? Important for all adults!

What is advance care planning?

Advance care planning helps you, the important people in your life and your health care team plan for your end-of-life care. It helps you understand what the future might hold, and to say what health care you would or would not want. This makes it much easier for everyone to know what you want - especially if you can no longer speak for yourself.

An advance care plan includes what is meaningful to you, such as people and pets, your values and the ways you would like those caring for you to look after your spiritual and emotional needs. It can also cover what sort of funeral you would like, whether you want to donate your organs, whether you want to be buried or cremated, where your important papers are and whether you have in place an enduring power of attorney or advance directive.

Copies of 'My Advance Care Plan' for you to fill in and give to your doctor, lawyer, family and friends are available at Heartlands.

What is an Enduring Power of Attorney? Have you got it sorted?

This is a legal document that gives someone else the authority to act for a person – called the 'donor' – if they are no longer able to make decisions for themselves. If you have an EPA in place, someone you trust – called your 'attorney' – will legally be able to make decisions about your finances, your property, and your care and welfare if you are not able to.

There are two types of Enduring Power of Attorneys
Property – covers money and assets and can come into effect before the donor loses mental capacity. There may be more than one attorney for this EPA.

Personal care and welfare – covers health, accommodation and associated care decisions, and comes into effect only if a medical professional decides the donor has become 'mentally incapable'. There may only be one attorney for this EPA.

The donor chooses any special terms and conditions, such as what the attorney can and cannot decide. The donor can also select someone else for the attorney to consult with and/or report to.

Why is it important to have an EPA?

Without an EPA, no-one else can legally make decisions for another person without going to court. This can cause unnecessary stress and expense to family and loved ones. An Enduring Power of Attorney can help provide protection against financial abuse, because the donor has chosen someone they trust to look after their care and/or their treasured possessions, such as their house, money and belongings. That person then has a legal obligation to act in their best interests.

Tiki Tours

Thursday 14th November

- Oamaru, Kakanui, Moeraki
and return (4 seats available, taking two vans)

Tuesday 19th November

- Magical Mystery Tour - 1-5 pm

Thursday 12th December

Regular Transport to Timaru

The Fairlie Community Vehicle Trust has agreed to trial regular transport - Fairlie to Timaru and return for four months, on a Tuesday and the dates are listed below. Heartlands will operate the service for the Vehicle Trust. The least possible fees will be applied to these trips.

If you want to use this door to door service, you will need to ask for your appointments at the hospital and elsewhere to be on one of the dates listed - Tuesdays. It is imperative that you book with Heartlands at least one week prior to the particular date you want to use the service.

5 November	19 November	3 December
17 December	9 January	23 January

YOU NEED TO BOOK! Tel: 685 8496

FAIRLIE FRIENDLY CLUB

Moreh Home was the venue for our October meeting where 19 members and residents had the pleasure of watching a DVD featuring Andre Rieu.

Birthday sprays and cards were given out by our President Alma Wright to Jean Jones, Roberta Scott, Mary Gibson, Bev Smith and Leonie Dwyer. Raffles were won by Roberta Scott and Alma Wright. Afternoon tea and a chat was enjoyed by all and the meeting closed at 4.00pm.

Margaret Condon
Secretary

'Spring Appreciation Week in Fairlie' Last Week!

The weather was not helpful in the week that was! Fairlie made the newspaper and facebook with Caley Hall as Artist in Residence, based at the Fairlie Bakehouse, adding colour to the town!

The Fairlie Rocks competition went really well and as this is written there are still 3 rocks hiding in our community. The draw will be made Tuesday 21st October for the winner of the \$200, donated by the Spring Fling group that was!

Karen Lanchester brought the colours of spring to the footpaths with her fabulous chalk drawings and Heartlands awaits photos of Spring to spring forth from the community.

Above: Caley Hall at the Fairlie Bakehouse

We will continue with the movies and entertainment for our older folk and thank Lloyd for his help! Friday night's Swimming Club Quiz was not of our doing but certainly provided entertainment for those who came out to support the event. Thank you to all who spread the joy of spring! Altogether just a little celebration of life in our community! Brought to you by Heartlands!

THE CASE OF THE MISSING TULIPS!

Last year we planted a number of red tulips in the garden left of Trooper Mackenzie (looking from Main Street). They looked brilliant when they flowered and so we planted some this year to the right! They are looking great now! But ooops! Those we planted last year have disappeared!

Thank You!

TO WHOM IT MAY CONCERN

I want to thank the person/persons who came up and cut a big pile of firewood for me when I was in Moreh. It was very much appreciated.

Sincerely, Dulcie Cordes

ST JOHN FELLOWSHIP

A meeting will be held on Tuesday 29th October at 2.00 pm in the Ambulance Hall. Guest speaker is Robyn Crampton showing us slides of her son rowing overseas and holidaying in Iceland and Greenland. Everyone is welcome.

Twizel - Hooker Cres - Sunday 12-4pm

MACKENZIE COUNTY SCHOLARSHIP TRUST

Applications are invited from students currently:

- Attending Mackenzie College, Fairlie
- Attending Twizel Area School, Twizel
- Who are residents of the Mackenzie District, or one of whose parents (or the student's principal guardian/caregiver) is a permanent resident of the Mackenzie District.

The Trust has Scholarships available for the first year tertiary education of post Year 12 NCEA Level 2 level.

Details of the scholarships and application forms are available from:

- Mackenzie College
- Twizel Area School
- Mackenzie District Council Offices, Fairlie and Twizel.

Applications must be on the prescribed form and received by the Trust no later than 5pm on Monday 11 November 2019. The date set for applicants' interviews is Friday 15th November 2019.

Students from Mackenzie College and Twizel Area School should obtain an application form from their school office. Other students can obtain the form from Council offices in Fairlie or Twizel or on the Mackenzie District Council website www.mackenzie.govt.nz

BRUCE SCOTT MEMORIAL PRIZE

The Mackenzie District Council recognises the contribution of the late Bruce Scott by way of an annual prize to be awarded to a senior secondary student, resident of the Mackenzie District, who best exhibits sustained effort and application in all that they do and who always demonstrates good citizenship, practical skills and leadership potential.

Bruce Scott was brought up and farmed on Godley Peaks Station for many years and was a former Councillor, County Chairman and the inaugural Mayor of the Mackenzie District.

The prize, which will be awarded annually at a meeting of the Council in December, will consist of book vouchers up to the value of \$250.

Students from Mackenzie College and Twizel Area School should obtain an application form from their school office. Other students can obtain the form from Council offices in Fairlie or Twizel or on the Mackenzie District Council website www.mackenzie.govt.nz

Applications close 5pm on Monday 11 November 2019 with interviews scheduled for Friday 15 November 2019.

Come and clean up our Fairlie Cemetery

Spring and it is time to give our cemetery a tidy up! Broken glass, moss covered headstones, leaves and rubbish – all need a swift removal! If you have the time and the inclination, then bring a brush and shovel, a scraper, a bucket and wear some garden gloves to protect your hands.

Let's meet on Saturday 26th at 10 am and again on Tuesday 29th at 6 pm.

Working together
– that is the Fairlie way!

New Zealanders will be able to vote for a whole flock of their favourite native birds in Forest & Bird's Bird of the Year contest this year.

"This is our 14th Bird of the Year and we didn't want to duck our responsibility to keep making it better," says Forest & Bird spokeswoman Megan Hubscher. "We believe its popularity will soar to new heights this year now New Zealanders can put up to five of their favourite birds in the running. We're sure people will embrace it and the birds will too."

The result will not be known until all preferences are tallied at the end of voting, adding to the suspense and hopefully reducing the likelihood of overenthusiastic fans of a particular bird attempting "fowl" play in the voting.

Voting for Bird of the Year 2019 will open on Monday 28 October and close on Sunday 10 November. During this time enthusiastic campaign managers and teams will use creativity, humour, and sneaky tactics to pull in votes for their bird.

The light-hearted competition has a serious purpose in spreading awareness about the threats to our native birds, most of which are threatened or at risk of extinction.
