Elder Abuse - help is just a phone call away!

We all want to feel safe in our homes and communities. Unfortunately, that is not the case for us all. Elder abuse is a hidden problem that is often not reported because family members are involved. Do not think this isn't happening in our Mackenzie community! It is something that the victims find so hard to talk about – those they love treating them like this. However many an outsider can see what is going on and we can only encourage the victim to get help.

FACT: 81% of alleged elder abusers are family members

FACT: 57% of alleged elder abusers are adult children or grandchildren.

We continue the fight against elder abuse through raising awareness, making it clear just what elder abuse is, as we want to make sure all older folk feel safe in their own home.

Elder abuse can take many forms – a family member taking control of finances, suggesting the older person stay in their home rather than going into care when they need it, because it COSTS! Not visiting and refusing contact, hurtful words and actions, threatening and black-mail type behaviour, not allowing contact with grandchildren and ones the older person loves! So many forms exist!

Together, we can help vulnerable older Kiwis feel safe in their own home. World Elder Abuse Awareness Week runs from 15-22 June and this year the focus is on why 'Elder Abuse Hits Close to Home.'

A lot of older people don't want to feel like a burden to their family and don't speak up, so elder abuse is often a hidden issue within Aotearoa or attached with a lot of stigma. Older folk are our living treasures and deserve to be treated as such! Help us care for them as you will want to be cared for some day!

Need help or advice or someone to talk to about this topic! Call Sarah Hendry 03 687 7372 or talk to Anne at Heartlands Fairlie and she will get Sarah to contact you!

Always respected
Never abused

Abuse Awareness
Day June 15

A big thank you to our Volunteers

Writing this article in recognition of those people who give their time so freely and selflessly in our community – our volunteers, gives me much pleasure and makes me feel extremely proud and humble at the same time by the awesome people we have in our community.

Some of you might recall the Volunteer Awards we had in the past and it was always challenging to decide on a winner as all our volunteers are winners. This year, I would like to take the opportunity to commend all our volunteers for making Mackenzie such a special place, especially during one of the most challenging times in modern memory.

So many people in so many different ways give amazing support to our communities. We saw first-hand the value of a strong voluntary group in the Mackenzie during the lockdown as our community has come through much stronger and more resilient. Even after lockdown, every day our volunteers still give so much yet expect so little. The work they do determines whether our communities thrive, or simply survive, whether it's a hand up instead of just a hand out.

I would like us all to pause and give thanks to our volunteers for their selfless acts of support to those in their time of need. They donate their time and talents so generously and passionately in service of others.

As Mayor, I would like to recognize all our volunteers for the work they do. I applaud you for your kindness, your inspiration and I hope that you will stay inspired in what you do.

Through your dedication and commitment, you make the Mackenzie the best community in NZ to live and work in. You all deserve the accolades bestowed on you.

*Our most grateful thanks
Kindest Regards
Mayor Graham Smith*

National Volunteer Week 2020 runs from June 21-27.

**This year's theme is Te Hua o te Mahi Tahī
- the benefit of working together -**

**Working collaboratively as we come out of COVID-19 will
make our communities stronger and volunteers will
continue to play an integral role in this.**

COME ALONG AND SELL YOUR UNWANTED GOODS!

Hi, my name is Teniesha Holdem. I am 16 years old and have lived in Fairlie all my life. As some of you already know I have decided to cut off my long hair and donate it to someone with cancer.

I also want to raise money for the Fairlie Cancer Group. To achieve this, I have organised a College Mufti Day and have set up a "Give-a-Little" page through which people can donate, or donations may be left at Divine Hair and Beauty or Heartlands Fairlie Resource Centre.

Thank you for your support.
Teniesha

Preventative Health Check Up?

Ring for an appointment today!

Men's Mental Health Week 15-21 June 2020

Be active in getting medical help if you don't feel well, have a problem that won't go away or notice unusual symptoms.

It's OK to seek help - don't try to do everything on your own or bury problems. Talk to your partner, friends and workmates.

Push hard to get the help you need to manage your life, work, family and financial needs.

Ladies, be proactive in helping your men and boys get the help they and you need. Use available hotlines, speak with professionals to get the best course of action and be persistent.

Don't leave it too late to seek help. Fear is not a killer.

George Empson

Hi Everyone

I'm Constable Brad Morton of the Lake Tekapo Police. I have been policing in Tekapo now for about three and a half years. I have been asked to contribute to your community newspaper, so I will do my best!

First of all, I would like to say well done to most people in the district who were excellent in adhering to the various levels of lockdown imposed by the government in response to the Covid-19 pandemic. It's so great to be at Level 1 now and being back to enjoying paradise again.

Recently we have had some very cold mornings which have resulted in black ice around Tekapo. Unfortunately this has resulted in numerous crashes and some injuries. Please ensure that you drive to the conditions. **Nobody** is so experienced driving in treacherous conditions that it won't happen to them.

Unfortunately we have had some vehicle crime in the area lately. If anyone has any information, please contact NZ Police by dialling 105.

Thanks everyone and stay safe out there.
Brad

Lake Tekapo Regional Park

The Lake Tekapo Regional Park is made up of 165 hectares of exotic forest nestled close to the shores of picturesque Lake Tekapo. It has about 24kms of shared use tracks developed for mountain biking, walking, cross country skiing and orienteering.

It also includes a 2-hectare fully enclosed dog park for letting your pets run free, and plenty of great spots for a picnic!

The Park flanks both sides of the southern end of Lilybank Road north of State Highway 8, accessed by vehicles from Lilybank Road. There is also walking and mountain bike access from the Tekapo Village directly or via the Cowans Hill track.

September

From Scratch

17th September - 7.30 pm in Lake Tekapo

The inventive, highly rhythmic percussion group From Scratch is like no other. It has its own characteristic Pacific -region sound, performed on a unique array of original, DIY invented instruments, including their PVC slaptubes. From Scratch guide their audience through a magical journey, part sculpture, part music, part ritual. Rhythmic and instrument invention lie at the heart of From Scratch and have earned the group an international reputation for visually captivating and sonically mesmerizing performances.

Their most memorable performances have been described as "... among the greatest in any art form to come out of this country". With a forty year-plus history, recently celebrated with an expansive art gallery survey exhibition, this NZ group is not to be missed!

Staying STRONG

Core resilience behaviours that enable us to stay strong during challenging times

STRENGTHEN YOUR RELATIONSHIPS

Strong and supportive relationships are the number one predictor of wellbeing. Investing in, reaching out towards and cultivating healthy relationships is a core resilient behaviour.

TAKE CONTROL

Concentrating your attention and resources on the things that matter most and that you can actually influence and change increases your sense of control and agency.

RESET AND RECHARGE

Restoration practices boost mood, concentration, and cognitive ability - much needed during times of pressure.

OPTIMISE YOUR MINDSET

How we interpret events determines the choices we make in responding to these. Adopting an optimistic mindset is a skill that can be learned which enables us to choose helpful ways to examine and interpret life's challenges and setbacks.

NURTURE YOURSELF

Making healthy food choices, sleeping well and moving our bodies regularly throughout the day contributes to building vital energy and long-term physical wellbeing for building our resilience. Nurturing yourself is also about practicing self compassion- being your own best friend in difficult times.

GROW AND DEVELOP

Challenging and stretching ourselves in new and unknown situations can enable us to adapt and grow - which contributes to our growth and wellbeing. We also know that our optimum areas of growth actually lie in our areas of strength- not weakness

stronger leaders stronger organisations © 2020 | www.executive-strength.com

Take Me to Tekapo!

If you were among the people that visited us at Queen's Birthday weekend – thank you! - we really enjoyed having a bustling village again. It was lovely to see so many people out golfing, fishing, cycling, skating and soaking at the Springs, and generally enjoying the glorious weather. It was especially good to see children and families making good use of our newly improved lake front playground (special thanks to Charlotte Borrell and the MDC). Talking of weather, the snow gods have delivered, and perfect timing too, with both Roundhill and Mt Dobson gearing up to open for the season.

There has been a lot of activity in our wee village as life is gradually returning to some sort of normality post lockdown. With the opening of the ice rink at Tekapo Springs, ice hockey is now underway kicking off with a "Have a Go" night at the Springs. On the first club night there were families from Tekapo, Fairlie, Twizel, Pleasant Point and Timaru enjoying their return to the rink or having a go.

Pictured above is Jaime and Sara Linton at "Have a Go!"

Over two days, Tekapo Trails, our local walking and cycling group, held a working bee to further improve the Sawdon Trail. They had an amazing turnout with 14 members spreading metal and installing two e-bike gates. None of this would have been possible without the support of Genesis Energy, which has provided financial support to purchase a trailer and other much needed equipment.

One of our other local groups, the Lake Tekapo Regional Park Society has been busy planting 1,000 daffodil bulbs and many new trees throughout the park and picnic areas. Did you know we also have a new bike pump park and disc golf course at the Regional Park?

Although there was a different and much quieter vibe in Tekapo over the lockdown period, some of our locals were busy dreaming up new ideas to bring our community together. Thanks to Chris and Carroll for their wonderful lockdown photo shoot project. As the lockdown drew to a close, we had the pleasure of a knock on our door for our household photo shoot. The images from this project will provide us with memories of this somewhat surreal time, which will be captured in a photobook for posterity.

If, bringing the lockdown photo shoot to our homes wasn't enough, as soon as we were allowed out, Chris organised a community clean-up, which saw a huge turnout of locals happy to give their time to keeping Tekapo beautiful. We hope you take the time to come to Tekapo soon.

Fairlie Primary School

This past week has seen Ginny Neal's resignation as Principal of Fairlie Primary School take effect.

Ginny spent four years at the helm of our school and what a journey that has been, along with the board, staff and community over those years. Everyone can acknowledge the amount of work that was put in and the turnaround of the direction of the school to being a school of choice for the Mackenzie.

Ginny takes on a very challenging and exciting position with the Deaf Education School of New Zealand. Her role is Head of Reporting, Planning and Projects. This is a nationwide role - extending Ginny's knowledge and skills as 3IC in New Zealand's largest specialist education school.

We wish Ginny all the very best and look forward to a formal school/community farewell at the beginning of Term 4 where we will officially hand her over to her new school.

We are a purpose built preschool offering the highest standard of early childhood education for children aged 0-6 years. Open 8 am-5 pm Monday-Friday (including school holidays)
We offer 20 hours ECE and WINZ subsidies are available.

Spaces available for children 2 years and over.
Enquiries welcome now.

Fairlie Area Kindergarten

A generous grant from the Fairlie Lions has enabled Fairlie Kindergarten to purchase a beautifully crafted macrocarpa table and bench seat set from Three Creeks furniture in Burkes Pass. This set will proudly sit under our archgola and already tamariki have enjoyed the space it provides for a range of experiences. This set will be a feature for many years to come.

As one child said "that is one big wooden table". It is built to last and looks right at home in its new environment. We thank Fairlie Lions most sincerely for their support of our kindergarten and to Dave Taylor for his craftsmanship.

I just thought I would give a quick update on "Oof Hearted", the Mackenzie College students who are the 2019 South Island EPro8 Technology Challenge champions.

After we beat the other schools at the University of Canterbury to claim the top spot, we finally, due to lockdown etc, received our EPro8 kit with \$1,600 of contents. This will give all Mackenzie College students who want to take part in future EPro8 competitions a chance to practice before they compete. Hopefully this will mean more success in the coming years!

This is a fantastic opportunity; students compete in age categories from Year 5 to Year 13. If you want more information go to the EPro8 website, Uncle Google will give you the address.

If you would like to look at the kit to see what it's all about, contact the school and it can be arranged and maybe even talk to the 2019 EPro8 National Champions.

Jamie, Brock, Talen and Maggie

Mackenzie Community Library

Winter Reading Programme

We will be running our Winter Reading Programme at the library for children aged from 4 years old to Year 6. This is funded by the Creative Communities Grant and the Lions Club of Fairlie. It will start on Monday 22nd June and finish on Friday 17th July (incorporating the school holidays). This years' reading incentives will be Whitcoulls gift vouchers, so the more books read, the more money they get to put towards a book. We will also be holding free 'Crafternoon' sessions for children who are participating in the reading programme. These will be held each Monday and Friday afternoon during the school holidays, from 2-3 pm.

Stepping Up – Digital Skills for Life

Now that life is beginning to return to normal, we are hoping to get the cancelled 'Stepping Up' classes running again at the library. Jackie will be in contact with people who put their names down, pre-Covid, for specific courses, to discuss new dates for these courses to run. If you are interested in hearing more about these fantastic **free** courses on computer basics, mobile phone use, using a tablet, emails, using Google and the Internet, social media, and much more, give us a ring at the library (03 685 8560).

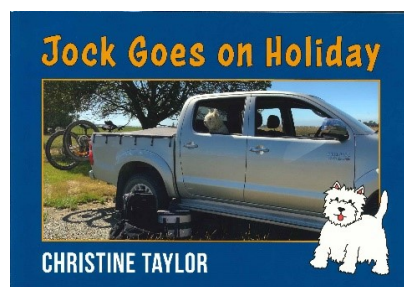

Audio Books

A new selection of audio books have arrived. Come in and see what's available!

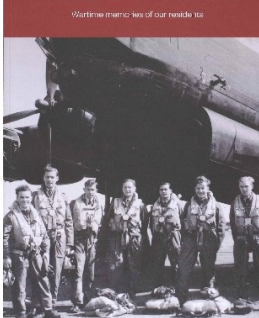

New Books That Might Interest You!

We have just purchased the latest book by Ashburton author, Christine Taylor. 'Jock Goes on Holiday' is set

in the Mackenzie District, with Jock the dog visiting many local landmarks that you and your children will recognise. This is a delightful book that has lovely photos, simple text and lots of opportunities for talking with your child about places you may have visited, from the book, and recalling your own stories from those visits. The author also wrote "Where is 102?" – about a cow on a dairy farm.

Stories of valour

This book has been gifted to the library by Ryman Healthcare. It is a collection of war time memories and experiences of some of the Ryman Village residents around New Zealand. There is a photo and a short memory from each resident and is a book that can be read in small bursts, as and when you have time. A must-read for all our local

history buffs and people interested in the ANZAC story.
Mon–Fri 10.30–4.00 Sat 10.00–1.00
(no late night Thursday, sorry)

Are you a parent/guardian concerned about how your child uses the internet or mobile phone?

Cybercrime is a very real issue facing families in NZ, but there are easy practical steps to reduce the risk. Mackenzie College and Heartlands Fairlie Resource Centre invites you to a presentation on the issues associated with the inappropriate use of computers, mobile phones and the internet.

Fairlie

Lisa North - 685 8496

mackenziecommunityfairlie@gmail.com

During the lockdown, Fairlie and surrounds had some truly wonderful volunteers who are part of our Fairlie Community Response Team. They were busy ringing, checking on welfare, helping to order groceries and ensuring that their neighbours were not too lonely and/or they had everything that they would need during the isolation period. New Zealand's COVID-19 response has highlighted courage and kindness in uniting together.

This coming week, from June 21-27, we celebrate **National Volunteer Week** and the collective contribution of all volunteers who enrich Aotearoa, New Zealand.

This year's theme is 'Te Hua o te Mahi Tahi | The benefit of working together'. The power and potential of volunteering, Mahi Aroha and social action shines through at times when our communities are stretched and challenged.

If you would like to enrich your and others' lives by volunteering, please contact us at Heartlands. You can help create positive change in our community, whether it be in, health, education, sports and recreation, social services, arts and culture, emergency services, the environment and conservation, animal welfare or community development ... the list is endless.

Join us this National Volunteer Week to celebrate how our communities are stronger when working together. Volunteers help shape the world we want to live in, now and into the future!

Sustainable Sally - Move beyond the 3 "R's" towards thinking about the 6 "R's"

You're already used to the *Reduce, Reuse, Recycle* concept, but here are an additional 3 R's added to the mix that will help you to live waste free:

1. **Refuse** what you don't need
2. **Reduce** what you do need
3. **Reuse** anything that you can
4. **Recycle** what you cannot refuse, reduce, or reuse
5. **Rehome** what you no longer need or want
6. **Rot** (i.e. compost) the rest

Fairlie Singing Group is starting again...

St Pat's Hall Wednesday 17th June @ 4.00 pm

Take the Time, not the Take-away!

Take the time to sit and have a coffee instead of grabbing a take-away. Most take-away coffee cups end up in landfill.

If you have any **clean tin cans or tins** of any sort, please drop them into Heartlands Fairlie Resource Centre for the School Holiday Programme and the Matariki festival in July.

Go and write away!

Silverstream Hotel Kimbell under New Ownership

Buying a new business is an adventure at the best of times, but taking over a business during a national lockdown makes for a particularly interesting beginning.

Who we are? We are Lachlan (Lockie) and Caroline (Caro) Broadfoot, and together with our sons Finn (4) and Benni (1), as well as our pup Ari (9) we are the new resident-owners of Silverstream Hotel Kimbell. We took over ownership at the beginning of April whilst caught in Wanaka for Level 4. As soon as restrictions allowed, we packed up our wee family and made our way to Kimbell to get the pub ready for re-opening.

Together with our incredible team – both locals and humans hailing from further away – we aim to honour what Silverstream Hotel means to locals – a welcoming gathering place for a drink and chat, good food and company – but also extend the offering through our crêpes and coffee van Charlie Brown, and share the story of the pub with travellers.

After the initial refresher of the public bar area, we are very excited to be re-opening the pub's dining room – an excellent venue for dine-in guests, family birthday parties, as well as regular gatherings of local clubs.

Whilst the tinkering with the interior of the pub will be an ongoing project – after all, there are quite a few photographs, ornaments and mementoes to sort through and remount – we are planning on tackling the outdoor area next. The beer garden is such an asset to the hotel, and we are hoping to make it even more accessible to guests that pop in on a weekend or after a day up on the slopes of Mt Dobson.

We would like to take this opportunity to say a heartfelt thank you to the Kimbell and Fairlie community for welcoming us so warmly. Everyone we have met has been incredibly kind and open towards us.

A special thank you has to go to Dave and Mandy Clark, who have been very generous with their time, knowledge and insight into the pub's workings, introducing us to the regulars, and looking after the place during lockdown. We wish both of you all the best; enjoy your well-deserved retirement!

Mango Chicken Slow Cooker Curry

425g tin mango slices	1 brown onion – sliced
2 carrots – peeled and sliced	2 cloves garlic, sliced
400ml tin coconut milk	1 t chicken stock powder
1 T brown sugar	1 T oil
600g chicken thighs	1 t ground turmeric
2 t curry powder	100g green beans, halved
Lemon or Lime juice, to serve	
Coriander, to serve	

1. Drain mango slices and dice. Add to the slow cooker with onion, carrots and garlic.
2. Add coconut milk with the chicken stock powder and brown sugar. Stir to combine.
3. Heat oil in a pan over medium heat. Cut thighs into 4cm pieces. Working in batches, brown well. Return all of the chicken to the pan and add turmeric and curry powder. Stir well for a minute or two then add chicken to the slow cooker, being sure to scrape in all the oil and spices from the pan.
4. Cook on low for 4 – 6 hours until the chicken is tender. Add beans during last half hour.
5. Just before serving add lemon or lime juice to taste and coriander. Serve with steamed rice!

Our Community

ARTS ON TOUR NZ hitting the Mackenzie

19th July Kitchen Chaos

Mackenzie Community Centre

Adults \$10 - all kids free!

Welcome to another fabulously funny fiasco from the team that brought you The Messy Magic Adventure. When magic is accidentally let loose in the kitchen, everything is turned topsy-turvy. Now, the audience must help sensible Spray and naughty Wipe bake a very special cake before it's too late, as their kitchen gets messier and messier! Suitable for age 3+ to primary school and their adults. Lotsa fun!

31st July The Daylight Atheist

7.30 pm in Fairlie - Details to come!

Ageing Irish raconteur Danny Moffat retreats from the harsh light of the world to his bedroom. There, under old newspapers and beer bottles, he sorts through a lifetime of memories and regrets, from growing up in Ireland, to the hopes and disappointments of immigration to New Zealand. The Daylight Atheist by award-winning satirical cartoonist Tom Scott, stars Michael Hurst in a not-to-be-missed repertoire experience which will have you roaring with laughter.

17th November Anthonie Tonnon RAIL LAND

Fairlie - venue to be decided!

A journey of the mind, through song and story, about New Zealand's on-and-off again love affair with passenger rail. Equal parts tragedy, comedy, and personal memoir, Rail Land is a theatrical show that weaves the critically acclaimed songs of Anthonie Tonnon with synthesizer soundscapes, and soliloquy like story-telling. Along with touches like historical letters to the editor, and meticulous notes on taking Aotearoa's surviving public railways, Rail Land is a story of human enterprise, sabotage, obsession and hope. The show also travels with an exhibition of historic NZ Rail Advertising Department posters and schematic maps, blown up to large scale.

Tiki Tours taking monthly trips to Lake Tekapo

Seems a perfect time for us to schedule monthly outings to Lake Tekapo! To go visit Petronella's, Penny at the Lake Tekapo Community Development office, Angie's for an afternoon tea perhaps, or on the main street, and to enjoy all that is beautiful in the township!

Post Covid, we all need to be supporting our Mackenzie townships as best we can! So come joining us – next trip to Lake Tekapo - 16th July 1 pm - visiting Burkes Pass Cemetery, picking up pinecones to make Christmas wreaths, afternoon tea in Tekapo and stopping at the Kimbell Hotel on the way home. We promise to keep you warm and cosy and informed!

Call Heartlands today 685 8496 and come join us!

All welcome!

Our Community

THE ADVOCACY GROUP

Do you need 1 to 1 support with a situation that is stressing you out? Our advocates are available, free of charge, to help you prepare to take action.

1 to 1 Advocacy

We base our 1 to 1 advocacy on the guiding principle of social justice, which underpins all of our work. That means standing alongside people, doing things with them not for them, and helping to empower them to get their voices heard.

Each member of our team of advocates is:

- confidential
- non judgemental
- reassuring

We can support you with a wide range of issues:

- Work and income
- Employment disputes
- Tenancy
- and any other requests

1 to 1 advocacy is flexible to meet the needs of each individual. Requests for support can come from any source – directly from yourself, from other agencies, and friends or family.

Once we get a request for support, it is essentially a 3 step process, but that can vary depending on your own preference:

- Make time to meet in advance of the actual appointment to find out all the relevant background information and to prepare together.
- Attend the appointment with the 3rd party together; your advocate will be your support person, not spokesperson, so you will need to speak on your own behalf;
- Debrief afterwards – discuss how you think the appointment went, and plan where to from here with your situation.

Please feel free to bring any issues to our attention that you are aware of that seem unjust – we would love to hear from you! Ruth Swale, Social Justice Advocate 027 134 0307 advocacy@anglicancare.org.nz (pictured above with Penny and Lisa - Mackenzie Community Development)

Fairlie Accessible Issue 20-12

If it's not the tourists, could it be us?

People throughout New Zealand are noticing a return to rubbish being deposited on roadsides since the end of lockdown. With noticeably less visitors to our country and considering a number of lesser roads that have been hit by the 'rubbish chuck', Clayton Road for example, then it seems obvious that we are the culprits.

One of the most noticeable items that are thrown to the roadside are disposable coffee cups. Perhaps it is time that we as a district start promoting the use of reusable cups among our residents, setting an example and leading the way!

Another item noticeable by its presence on the roadsides is the empty single use plastic water bottle. Here too we could lead the way by using the reusable water bottles that are so readily available these days and simply filling from the tap.

The Mackenzie Community Development Project introduced the Borrow Bags Mackenzie concept into the Mackenzie District three years ago and these have been superseded now by the introduction of the reusable plastic, brown paper and cloth bags!

The 'No Straws please' promotion asked why we needed to use straws at all when we expect glassware that we are being offered use of, should be immaculately clean! Some have continued to use the plastic but pleasingly many have switched to the cardboard straws – some of which aren't up to much, and would be better just not using them at all!

**You live
in the
Mackenzie?
We can lead
by example?
Do not buy**

single use water bottles, buy reusable! Do not support the use of take away cups! Take 5 mins to drink your coffee at the place where you buy it and return the cup or carry your own reusable coffee cup wherever you may go!

MP welcomes Mackenzie Basin Report

A community perspective on protecting the natural and cultural landscape of the Mackenzie Basin is key to setting the future direction of this precious region, National's Conservation Spokesperson and Waitaki MP Jacqui Dean says.

"I welcome the report released 10 June by Environmental Defence Society (EDS). I have worked with the organisation for a number of years and appreciate their contribution to the conversation surrounding the Mackenzie Basin. In the nearly 10 years that I've been involved as local MP, positive inroads have been made to protect and manage the Mackenzie Basin, its iconic biodiversity and landscape in collaboration with local landholders and groups."

"More can be done and COVID-19 has provided an opportunity to take a breath and look at the impact of tourism both positive and negative and consider how the industry could adapt to bring greater benefits to the region. The Mackenzie District is a world-leading destination. The combination of stargazing and Maori astronomical storytelling gives it a unique point of difference that supports a sort of tourism where visitors stay longer, learn more and have a more positive impact on the environment.

"Initiatives such as the Te Manahuna Aoraki Project which works with high country landowners, councils, government departments and philanthropists to improve biodiversity, is a good example of collaboration to achieve a common goal. If we can balance environmental protection with strong economic activity, the Mackenzie District will be all the better for it."

Jacqui Dean MP for Waitaki

If you would like an appointment with Jacqui in Oamaru, Waimate, Geraldine, Fairlie, Tekapo, Ranfurly, Central Otago, Kurow or Twizel please phone our office.

Fairlie Fire Brigade

As I write this it is -5° C
outside and clouding over
- I guess winter is here!

The Fairlie Fire Brigade has had five calls for the month one medical, two motor vehicle accidents, one alarm activation and one smoke showing.

The Brigade has had some issues with its alarm over the past few weeks. The fault seems to be in the turn out console and this is why the alarm has been sounded a few times some days. We thank you for your patience while we get it sorted.

Like everyone else we are getting back to as normal as possible after COVID 19. This week we get back to training and our duty crews can get back to working together again.

The painting of the Station has been completed and the FENZ corporate colours have certainly freshened the Station up. The old wooden fence in front of the training ground has been replaced.

Two of the MVA we have attended recently were in icy road conditions. The roads don't appear to have the grip they once had, perhaps where the tar has bled and/or the increase in traffic flow has resulted in a smoother road surface. This all combines with icy conditions and can make it very difficult to drive on.

Where ever you are driving this week, take care!

STEPPING UP

DIGITAL SKILLS FOR LIFE

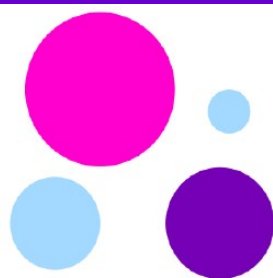

Heartlands in conjunction with Mackenzie Community Library offer a free, informal digital technology troubleshooting session with Jackie Phillips on

Tuesday 23rd June 2.00-4.00 pm at the library.

Bring your own device – cell phone, laptop, tablet, iPad etc for shared troubleshooting and guidance. Library staff will also have a chat about Skinny Jump, a government subsidised broadband initiative that costs as little as \$5 per month – come along and check your eligibility.

Includes a cuppa and cake.

All welcome, no need to book, just turn up.

THE EVOLUTION OF EARTHWORKS

Leaders in technology, High Country Earthworks has been changing the game since 2016. Working particularly hard behind the scenes recently to expand and grow our fleet to accommodate a wider and more complex array of jobs.

Modern, technologically advanced equipment ensures unmatched accuracy, faster turn-around and the highest quality of work. Tilt-rotators and GPS machine control paired with HCE's exceptional skill set is what gives us the cutting edge.

"THE CUTTING EDGE"

AGGREGATES

Gravel, rotten rock and landscape supplies.

CONSTRUCTION

ROPS certified demolition, site preparation, pre-slabs, augering for piles, drainage, driveways and council related tasks including accessways.

LANDSCAPING

Landscape plans, rock walls, sprinkler systems, hydro-seeding and decorative rock.

AGRICULTURAL

Track maintenance, tree removal and scrub clearing, post driving, pipe ripping.

HCE CERTS

Approved contractor for Alpine Energy, SiteSafe approved and can provide full STMS (traffic management) solutions.

To ensure we can provide a multitude of solutions, HCE can additionally source: construction rollers, bulk cartage, graders and dozers. A screening and crushing plant as well as seal and asphalt supplies.

EQUIPMENT

Excavators: 1.7, 5.5, 8, 14 and 20 ton.

SOLD

Fairlie 156 Mount Michael Road

4 2 2 2

Quality construction, privacy and expansive mountain views are all on offer at this property nestled on 10 hectares. Situated close to the thriving township of Fairlie and all handy amenities. Built in 2008 and with a floor plan of approx. 300sqm comprising open plan kitchen with butler's pantry, dining and living area flowing through to a media room. Four double bedrooms, including the master bedroom with walk in wardrobe and ensuite, with all bedrooms having outdoor access. Complementing the land is a 6mx2.5m tunnel house and 12mx7m Colorsteel shed. The potential for subdivision also gives the new owner flexibility and options. With generous landscaped grounds and the unique offering of 80 Pinot Gris and 100 Tempranillo grape vines set amongst the well-established gardens this property is an opportunity that is rarely available.

SOLD

Fairlie 393 School Road

4 2 2 2

Westlea is a 142 hectare breeding and finishing property located only five minutes from the vibrant town of Fairlie. Subdivided into 19 paddocks with predominantly deer fencing and is currently running 250 mixed aged deer, finishing progeny, trading 2000 sheep and finishing 90 cattle. Water is provided by a shared scheme and reliable streams with troughs in all paddocks. The unit is further complemented by a high level of infrastructure including numerous sheds, combined deer/cattle yards and sheep yards. Set amongst the sheltered well established grounds is an approximately 310sqm expansive family home. Four double bedrooms, master with wardrobe and doors opening to the garden. Two separate lounges, office, bathroom, guest bedroom with ensuite, laundry and double garage with internal access finish the home.

NEW LISTING

Fairlie 1365 Clayton Road

Quality at Lake Opuha

With panoramic lake and mountain views this exceptionally private five bedroom home provides a genuine sense of sanctuary. Set on 7,100sqm (more or less) this impressive home has all the bells and whistles. The generous open plan kitchen, dining and living area has a large open fire which is a real feature of the room. Bi-folding doors open out to the large patio. A separate formal lounge or family room is perfect for children to play. Five bedrooms, including the master suite, has spectacular lake views, an ensuite and substantial walk-in wardrobe. An attached double garage, flying fox and a play hut complete this package. Fully insulated and with double glazing this wonderful home is just a ten minute drive from the township of Fairlie and has ski fields, water sports and some of New Zealand's best hunting right on your doorstep!

Real Estate Roundup June 2020

It is so good to be down to Alert Level 1 and to be able to meet and greet people and to view properties as we have done in the past.

During 'lock down' people have been re-evaluating their situations, their jobs and where they really want to live going forward. We have received enquiries from England, Australia, Auckland and Nelson as well as throughout the Canterbury Region, from people genuinely wanting to purchase in, or around, Fairlie and Albury.

Buyers are in a wonderful position to be able to secure finance at interest levels never seen so low before. The LVR has been removed and there are great incentives for First Home Buyers to use their Kiwi Saver and Home Start Grant to secure a home.

The level of sales in this district by LJ Hooker and other agencies is very encouraging as the whole industry poises, waiting to see what is going to happen next. There is confidence in the market, prices seem to be remaining steady and there is still strong demand for houses in Fairlie.

What will happen in the future is hard to predict as there are so many contributing factors to what the future holds for this area. What we do know is that winter is a great time for buyers to look at property so they can gauge the warmth and suitability of the home. Don't wait for spring to list your house, the buyers are here now!
