

# FAIRLIE ACCESSIBLE

**ISSUE 21-22**

Delivered FREE to residents of Albury • Fairlie • Lake Tekapo and Districts

**10 NOVEMBER 2021**

From Mayors Desk

Thank you to all those whom have attended our community drop in sessions, commented and submitted on our Long Term Plan and what it means for future development in Mackenzie.

This plan has no frills and is largely concentrated on infrastructure using both borrowings (which helps spread the cost of infrastructure and is repaid over the life of the plan) and some rate increases. Overall, our council is in a good position and we will work hard to deliver our projects.

As per my recent press release, we are disappointed that Minister Mahuta announced they are mandating 3 waters against many of the councils wishes throughout the country . While we are not opposed to improving water standards, we do and have questioned the 3 Waters model presented by Central Government. I along with many other Mayors and Councils feel let down that Minister Mahuta has predetermined the process without further discussions.

Our staff and consultants spent a significant amount of time analysing figures produced by the crown. I want to thank them for this work to thoroughly understand Mackenzie's position. MDC presented a very good submission and has proved that 4 large entity's and assumptions used are critically flawed. I will however continue to advocate strongly for you as ratepayers and residents, that we have fair and equal representation.

Covid recently reached Christchurch. We are keen to limit any affect in Mackenzie and continue to advocate vaccination. I realize that some are opposed (for various reasons) and I respect your concerns, but I need to be very clear that as a country, the best way to manage Covid is with a high rate of vaccination. We can't stay with borders locked and businesses failing. This is having an increasingly detrimental financial effect on our District and we are less than 50 people away from a figure of 90% first dose, with those needing a second dose to pick up some speed to meet the final, fully vaccinated target. Please be proactive and help protect our District.

Te Manahuna Ki Uta - Destination Mackenzie has been taking shape over past year. It's an exciting project expecting to deliver a Destination Management Plan in May of 2022. The partners involved are MDC, DOC, LINZ, NZTA, MBIE and our 3 local Runanga and we have built some strong relationships which will give us strength in the long-term management between community, visitors and Mana Whenua. We will be looking to engage our Stakeholder Reference Group again before the year is out, and our next round of engagement will be in March 2022 so please keep your eyes our and get involved so your voices are heard.

With the large number of Government Reforms and Statutory Projects occurring in parallel, we ask you to remain engaged with us via our "Lets Talk" platform so we can be of service to our rate payers and know we are endeavouring to deliver to the best of our ability on your behalf.

Kind Regards, Mayor Graham

# Gumboot Friday - I AM HOPE Fundraising Event

Many of the good people of the Fairlie District came together on Friday 5th November to raise money for Gumboot Friday to support "I am Hope" and the amazing work they do to help young people struggling with the pressures of the modern world. "I am Hope" is the youth and community focused support group run by the Key to Life Charitable Trust started by Mike King. For the last three years Key to Life have been promoting

An awesome day in Fairlie for our Gumboot Friday fundraising efforts! We raised \$730 with our raffle, bake sale and cake walk sales. This will be added to the Fairlie grand total. Thank you to everyone who purchased a ticket. Congratulations to our raffle winners:

- 1st Place** - Air B&B weekend donated by Furniss Family - "The Sassy Six" ladies
- 2nd Place** - \$150 grocery voucher donated by Heartlands - Barry Adie
- 3rd Place** - Statue donated by Yvonne Shaw - Claire Dann
- 4th Place** - \$25 Bakehouse voucher - Paul Quinn
- 5th Place** - Autographed book donated by Lulu Taylor - Courtney Pfeiler
- 6th Place** - House Plants donated by Erin Thomson - Phillipa Heslip, Laura Scott, Angela Habraken

positive attitude and attitudinal change in schools and communities up and down the country, and funding private care and counselling for young people 'stuck in the mud' on waiting lists. Many local businesses and individuals were very generous with their support of donations for the silent auctions that ran alongside the quiz night that was held at Eat Cafe and Bar. The evening was full of fun and laughter and was a great success as we raised almost \$5,000 (collectively) which will greatly assist those in need. Without the support of those able to attend we would not have been able to achieve the fantastic result we did. I would personally like to thank everyone who donated their time or products, and also everyone who supported this event. Finally I would like to acknowledge the outstanding support given by Eat Cafe and Bar as without them the event would not have been possible.

Karina Greenall (pictured with Chris Clarke)

# Public briefing on road safety

Friday 19 November 2021  
10am to 11am at  
St Columba Church Hall, Fairlie

Please join us for a briefing on the state of road safety in Mackenzie and the wider district presented by our Road Safety Coordinator

- Interesting information and trends will be shared, including:
  - speed limit review,
  - road user behaviour,
  - Crash types and trends, and
  - current road safety promotion
- There will be time for questions
- Free light refreshments will be served

As places are limited due to Covid-19 restrictions, contact Heartlands Resource & Information Centre on **685 8496** to list your interest and for catering purposes

## A late night on the Main Street is under consideration!

Would you consider coming to town if Fairlie shops opened until 7 pm one night in December and support our local businesses? Maybe consider going out for dinner when the evening ends!

Maybe Xmassy cocktails may be in order!

We all know our small town retailers could do with a boost and so you might like to buy a couple of gifts. Your group might run a raffle or two, set up a bake stall with Christmas music - we have a new community sound system!

Would our Fairlie businesses be on board with this initiative? Perhaps provide a small Xmassy freebie! This would all be run in conjunction with the Tables of Christmas which will be set up in St Columba Hall. Entry by donation which will go to the local schools.

**Suggested Date**  
**Thursday 9<sup>th</sup> December from 4-7 pm**

Anyway – we're giving it some thought and will talk to the retailers to see if they are keen – and then we will get back to you!!!

**Dignity Bags** will be going to Timaru Salvation Army for women in crisis because Womens' Refuge are not receiving them in Level 2. This is a temporary arrangement, so please keep your generous support coming.  
Gillian Palmer

**Hospice Shops**  
68 Orbell Street  
54 Church Street  
Timaru  
Turning Pre-Loved Goods Into First Class Care

**Are you due to have a clean out? Your Hospice Shops would love your donations, and we can come out to pick them up.**

**Call us today on**  
**03 688 3965**

## ALBURY TENNIS

If you are interested in the future of tennis in Albury, please meet at the Albury Tennis Pavilion for a meeting on ...

**TUESDAY**  
**16th NOVEMBER**  
**at 7.30 pm**

## RAM ROUND UP

**Mackenzie Rugby Football Club**  
**- seeks a Senior and Senior B Coach**

We offer a strong country club with good values and a strong core leadership group with quality players throughout the squad. A contribution towards travel and time can be discussed, while you will be supported by our proactive committee and will be well resourced.

You must have the ability to build and enhance a solid culture while bringing out the best in our players with a new age or alternative outlook towards rugby. Previous coaching experience is essential with a great understanding of the modern game.

All expressions of interest should be directed to Aaron McCall on 027 685 5702 or [dalzell@ezykonect.co.nz](mailto:dalzell@ezykonect.co.nz)

## TWILIGHT AMBROSE GOLF

Wednesday nights - start 10 November

Get your team of 4 together and come along at 6 pm. Not in a team and would like to play?  
All enquiries ring

**Geoff Horler**  
**027 603 0766**

**Mackenzie Rugby Football Club Annual General Meeting will be held on Monday 22 November 2021 at 8 pm at the Rugby Clubrooms, School Road, Fairlie.**

### Mackenzie Rugby Football Current Positions Available:

**BAR MANAGER:** After years of service Claire Graham will be standing down as the clubs Bar Manager. If you are a social and reliable and have a few hours free on a Saturday over winter then we would like to hear from you.

**ADMINISTRATOR:** You will be responsible for all gear orders, subs and sponsorship.

Please email [mackenzierfc@yahoo.co.nz](mailto:mackenzierfc@yahoo.co.nz) or speak with Aaron McCall 027 685 5702 to express your interest or to answer any questions.

## Sewing Alterations and Repairs

Experienced with machines to deal with different fabrics  
Prompt and professional service

**SCHOOLS CALENDAR**

**TERM 4**

11 Nov	Staff meeting @ 3.15	Fairlie Primary
17-19 N	Yr5&6 Camp	Fairlie Primary
22 Nov	Yr 6 Transition	Fairlie Primary
24-26 N	Living Springs Camp	St Joseph's
27 Nov	H&S Trail Ride TBC	Fairlie Primary
29 Nov	Yr 6 Transition	Fairlie Primary
30 Nov	SC Athletics	Mack Schools
20 Dec	Term 4 ends	

The **Mackenzie Toy Library** would like to thank Whittaker Ag for their donation of a ride on John Deere tractor. A hot favourite amongst the wonderful toys the library has to offer, the old one was worn out!

The Mackenzie Toy Library is located in the Scout/Playgroup building on School Road open Monday mornings from 9-11 am and every second Saturday 3-4 pm.

Pictured is Tom and Neve (2) Whittaker.

**Mackenzie Toy Library**

Open - Mon 9am-11am  
(throughout school term)

Located - School Road, Fairlie  
(beside Rugby Clubrooms)

We have more than 300 toys, puzzles and DVD's as well as a bouncy castle!

Enquiries to President Anna Wallace 0276354413

**Fairlie Area Kindergarten**  
**Constructing with new blocks at Kindergarten**

The kindergarten committee has kindly purchased two sets of interlocking wooden poro rākau (blocks) for our tamariki to use in the outdoor environment. These poro rākau add another dimension to tamariki's ability to imagine, create and construct in an open ended way and the potential is limitless. Pictured above is Archie and Kace's duck shooting hut and illustrates how tamariki use resources to recreate and make sense of their world.

**BRONZ**  
Timaru (Inc)

invites you to participate in our

**35th Annual TOY RUN**

On Saturday 4th December 2021  
Kindly sponsored by Spring Meadow Services Ltd

Bring a toy & help the needy children & families

Heartlands Fairlie Resource Centre are accepting new toys and games for the 35th annual toy run. Thanks for your generosity.

## Albury School

Pet Day was held on Friday, 22nd October and how lucky were we not only to be able to go ahead with the event, but also to hold it on a beautiful sunny spring day!

During the school holidays the children had the opportunity to complete a Pet Project and most of our students created either a poster or filled in a questionnaire to introduce their pet and share some favourite pictures.

Our students brought along a variety of furry, woolly and slippery animal friends. We've had a lot of lambs visiting school this year, but also quite a few dogs, two cats and even some axolotls.

We had competitions the children and their pets could enter to win some awesome prizes (supplied by Farmlands and PGG Wrightsons - a big THANK YOU for that) like lamb milk drinking competition, dog obstacle course and a dress up competition. The judges spend time with every single one of our little experts and talked to them about their pets and also watched them lead the lambs and dogs.

It was lovely to see our Albury kids interact with their animals and to hear about how they take care of them. The level of knowledge around their pets and how to look after them was very impressive.

After the Grand Parade and the Prize Giving we enjoyed a picnic lunch in the sun before it was time to take our animals home for a well-deserved rest after this exciting day.

We are a purpose built preschool offering the highest standard of early childhood education for children aged 0-6 years. Open 8 am-5 pm Monday-Friday (including school holidays)  
We offer 20 hours ECE and WINZ subsidies are available.

19 Hamilton Street, Fairlie  
Phone: 03 685 6263  
Email: admin@fairlieearlylearners.co.nz

## Fairlie Primary School

This week Kea performed their much anticipated play, Making the King Smile. This play is animal themed and explores a King who tried to do everything himself but found that it is only with the help of all the animals and working together could they create a community.

Kea have been working on this play since Term 2 as part of their drama time with Miss Marett. Each animal group had their own poem to learn and a dance to choreographed. With the help of many talented parents Kea also designed their own costumes.

Here is what Kea thought about their play experience:

*"I enjoyed making up my dance as a cheater"*  
Charlotte B

*"I enjoyed everything about the play especially when we did our dance"* - Sophia

*"I liked getting dressed up into the tarantula costume because you had 8 arms you could movie-* George H

*"I liked play because we all worked together and everyone did a great job"* - Adele

This week our Year 4-6 children took part in Top Teams run by Sports Canterbury. Top Teams is a series of water-based challenges that promotes teamwork, problem solving and communication skills while having fun. It was lovely to see so many children working together and showing their Mackenzie Kid school values. A big thank you to everyone who helped to make this day possible for our children.

## Studying for Exams

With exams fast approaching there are a range of ways that the learners in your family could be studying. The following are a few of the different things that will help optimise the time spent and ways they could be studying.

**Be organised** - Make sure you have everything you need in your study space so you don't have a reason to distract yourself.

**Highlighting system** - Review notes using a range of different coloured highlighters for specific things. A technique you may use is the traffic light technique; red = things you need help with, yellow = could be easier, and green = Things that are easier than everything else. Alternatively different colours could group information on different topics together.

**Drink enough water** - Make sure that you drink enough water throughout the day. Dehydration can lead to headaches which makes it harder to learn.

**Repetition** - Practice makes perfect. Repeat tasks/questions so the information sinks in and you can work faster.

**Marking your work** - Get someone else to check your work. Generally you will over or underestimate your work. Get the person marking to give you feedback.

**Flashcards** - Create flashcards to remember: cause and effect, definitions, formulas, examples/key terms, or symbols.

**Teach someone else** - Your knowledge will cement itself when you explain/reword it in different ways to others.

**Chunks** - Separate your work out into chunks. Don't overload your brain trying to cram lots of information in at once.

**Time yourself** - Practice answering exam questions under timed conditions similar to what you would get in your exams.

**Resources** - Use the resources available to you. Practice using old exams and look at examples for what you are working on. Use study guides to help direct your study.

**Study timing** - Plan specific times to study) and have short breaks to keep your mind fresh. Try studying for 30-40 mins, then have a break of no more than 10 mins.

**Quiet work space** - Create a quiet area for yourself where you can study without any interruption. Try a range of different spaces, as what may work best for others, may not be what works best for you.

**Noise** - Complete silence might not work for you - try different playlists of study/ambient music while you work.

CONT...

## St Joseph's School - Clean Up Week 2021

As part of Clean Up Week 2021 we went for a walk with our students around Fairlie. It was a great activity to build teamwork and take up the challenge of how much rubbish we could find. After half an hour we had filled many containers with rubbish. The students did an awesome job of helping to keep Fairlie beautiful. Next term we will have another clean up to help take care of our environment.

## Ex USA Army Grader Visits School

'WOW what's that?' the kids shouted. What an amazing sight to look out the window and see Ollie waving to us from an ex army grader. His friend Olivia had been visiting, while driving the grader to Wanaka. She kindly gave Ollie a ride to school in this awesome machinery. The students were buzzing with excitement and had lots of questions about the engine, the speed it goes and where it comes from. Thanks so much to Olivia from Thomson Earthmoving for providing such a fantastic experience for our students.

**Sleep** - Getting enough sleep is important for focus and memory. You can also use sleep as a memorisation tool; going to sleep on information will help you remember it more clearly.

Remember that just as each person is different, each student will learn best in a different way - try a range of things to see what works best for them individually and listen to what your body and mind are trying to tell you (it is not helpful to try and force things).

**Good luck to all of our Mackenzie learners  
for your end of year exams!**

## Science Fair

Near the end of last term the Science fair placings were awarded after being delayed due to lockdown. Unfortunately due to this we were unable to have our Science fair evening for the public to peruse the student's work. This was a great creative endeavour across many Mackenzie Schools with a wide range of high quality topics that had much hard work put into them. The prizes were as follows:

### Whole Class

Tui Class (FPS) - Does weight affect the distance an object travels?

### Year 3/4

1st - Jed Anderson (St Jo's) - What soil do worms like best?

2nd - Niamh Ryall (St Jo's) - How much water do paper towels hold?

3rd - Jack Murray (Albury) - Parachutes with Jack.

### Year 5/6

1st - Vince Westland, Damian Roughton, & Seth Whitehead (FPS) - Which Battery lasts longer? **(2nd overall).**

2nd - Haily Tairua (Albury) - Liquid freezing.

3rd - Lisa Brown (FPS) - Testing the strength of paper towels.

### Year 7/8 (Mackenzie College)

1st - Cecilia Schaefer - Dance of electrons **(1st overall).**

2nd - Lilley Johnson & Charlize Mackenzie - Bird buffet **(3rd overall).**

3rd - Phostina Folau & Annabel Geary - Is the 7 second rule true?

### Year 9/10 (Mackenzie College)

1st - Hope Herrick & Carys Lloyd-Forrest - Square eyes, big brain.

2nd - Kaleb O'Neill & Taya Livesy - What plant fertilizer works best?

3rd - Chris Guiney, Briannah Hadfield-Broatch & Eshaa Pasaol - New brain, who dis?

### Research

Morgan Little & Talon Potter - How an engine works. (continued and pictured at right)

## FAIRLIE LIONS SCHOLARSHIP

### 2022 YEAR SCHOLARSHIP OR STUDY TO THE VALUE OF \$2,000

This Scholarship is available for any Trade Training, Tertiary Study at University or Polytechnic Courses.

It will be made available to a present or past pupil who has completed their education at Mackenzie College and who is a resident within the Mackenzie District. The scholarship will be disbursed in two equal payments, one at the beginning, and the other halfway through the academic year on proof that the course of study undertaken by the applicant is being continued.

This scholarship will be awarded to a person who has not gained any other scholarship, so candidates will be expected to indicate if they have applied for another scholarship.

Lions reserve the right not to award any scholarship.

Short listed applicants will be required to attend an Interview to be held 29<sup>th</sup> November am, at the Resource Centre. Applicants will be notified of times.

Applications close on the 20th November 2021 with forms available from :

The Secretary - email [secflicinc@outlook.com](mailto:secflicinc@outlook.com) or Mackenzie College Kirke Street, Fairlie

### Eating in the 50's

1. Pasta was not eaten.
2. Curry was a surname.
3. A takeaway was a mathematical problem.
4. Oil was for lubricating, fat was for cooking.
5. Fish didn't have fingers
6. A pizza was something to do with a leaning tower.
7. A Big Mac was what we wore when it was raining.
8. Tea was made in a teapot using tea leaves and never green.
9. People who didn't peel potatoes were regarded as lazy.
10. Water came out of a tap. If someone had suggested bottling it and charging more than petrol for it, they would have become a laughing stock!
11. And the things that we never ever had on our table in the 50's and 60's: elbows or phones!

Many thanks to Bruce from Wireless Rural Broadband and a number of other local families for the prize money for this event. Due to their generosity we were able to award significant cash prizes to section winners and put smiles on the faces of a lot of young Scientists.

# Our Community

## Mackenzie Community Library News

### New Covid-19 Restrictions

The Ministry of Education has mandated that school students should not come in contact with members of the public at school after November 15<sup>th</sup> who have not received at least one Covid vaccination. This obviously has implications for Mackenzie Community Library, as we are a combined school and community library, so we are currently looking at how we can accommodate both the students and the public within these new restrictions. Please be aware that **anyone** entering the school grounds (from the entrance of the carpark by vehicle or by the footpath/field entrances to visit the library **must wear a mask**, from Monday November 15<sup>th</sup>. Please do not be offended when staff ask for your co-operation. The college students will not be permitted to enter the library during the public opening hours.

We know many people in the community are doing it hard at the moment, with loss of income and trade due to the Covid restrictions. The library is a partner for **Skinny Jump**, providing heavily subsidised broadband for kiwi homes. It is available to families with children, who struggle to meet their basic weekly expenses, people living in rural communities, people with disabilities, migrants and refugees with English as a second language, Māori and Pasifika youth, offenders and ex-offenders, seniors, and people in social housing. There is no signup fee or contract (you just top up as you go), no credit checks, a free modem is supplied with the first 45GB free, and it costs from just **\$5 a month!!** The application process is carried out by staff at the Mackenzie Community Library, where your personal details are handled with complete confidentiality. Come in and see us. This offer **IS NOT** too good to be true. The "Jump" scheme has been developed by Skinny to ensure that every kiwi is able to have digital access in their home, and to help the thousands of New Zealanders at risk of being digitally excluded. There is help available – you just have to have the courage to ask. *See you soon at your local!*

### Web Catalogue

You can browse our library collection and reserve books by signing into our Web Catalogue at <http://library.mackcollege.school.nz>.

**library.mackcollege.school.nz.**

All you need is your library number and your password. Too easy!

**TAKE CENTRE STAGE ...**

I would like to nominate **Lucas Lanchester** for the Good Sorts Award. Lucas has been selling kindling for several years raising money for local good works. He's made generous donations to the Fairlie Fire Brigade and St John's, has donated more than six boxes of food to the Fairlie Food Bank, and just recently has donated \$100 to our Gumboot Friday fundraising efforts. It's amazing that a young man spends his time and energy cutting kindling to sell and even more incredible that he gives that hard-earned money away to charity. Keep up the great work Lucas and thank you for your dedication and service to our community. Cheers!

Erin Catalano Thomson

**Send in nominations for the Fairlie Accessible's 'Take Centre Stage' via - email [accessible@fairlienz.org](mailto:accessible@fairlienz.org)**

The **Over 80's Fine China Afternoon Tea** was held on 22nd October. The 22 who attended enjoyed getting together and talking to each other as some had not had the opportunity to meet and catch up for a while.

## Our Community

### Neighbourhood Support week in the area! 22<sup>nd</sup> to 29<sup>th</sup> November

Thank you to the street co-ordinators who came together recently just to talk about what is happening and plan for the future. Those unable to come will have updated street lists dropped off to you!

The saddest news for the team of Fairlie Community Response/Neighbourhood Support leaders is that Phill McKay is leaving the Civil Defence position with the Mackenzie District Council for a job at the Timaru District Council. In all, we were doing okay, but we just grew so much with Phill's support and we now wonder 'where to from now'.

So this week in November! If we are free to meet then please street by street consider having an activity or event that bolsters those about you. If you need inspiration as to what you might have then really anything to do with food is a winner. Grass verge coffee meet, tea at three, wine and cheese at 5.30 pm, happy notes in letterboxes, carol singing, so much you might choose! And every little bit of good you do rubs off on others! Taking care of your neighbours and they will hopefully take care of you!

Touch wood! As I write this, but we are relatively safe in the Mackenzie District, especially in our little towns, due to constant Police and Road Patrol presence, but we can never be too careful! That is why we encourage you to join Neighbourhood Support. In good times it is nice and reassuring to know your neighbours and in tough times, they could be the help you need!

For rural areas it is somewhat different with you left to set up rural networks along your roads, keeping an eye out for each other and having that chat over the fence. Knowing what is going on, on the next property obviously makes it easier to identify someone who is 'out of place'. Same in town! Tell your neighbours or street contact person, if you go away, and if you are expecting people to call when you are away. Help make the house look lived in and empty loaded letterboxes. Mow the lawns.

In general to help your town and community stay safe – look for the unusual, take photos on your phone, write down number plates and descriptions, but take care of yourself when doing this. Leading up to the holiday season it is a good time to get together with those in your neighbourhood – COVID rules applying – and enjoy yourselves! Just because COVID is about don't let the good times and kindness lessen.

### Meeting people in our community ...

Please meet Deepika Bhaik who lives with her husband Dheeraj Bhaik and daughter Miraya and little wee man Yamir.

#### What do you do for work?

I am working in the Fairlie Bakehouse.

#### What did you want to be when you were 10?

I wanted to be a teacher.

#### What languages do you speak?

We speak Hindi and English.

#### What led you to settle in Fairlie?

My husband got a job in Tekapo but decided to live in Fairlie because we are in love with this place and the beautiful people around.

#### What things do you miss from your home?

I miss my family and my kids miss their grandparents and their cousins in India. We have a very big family that we all miss so much.

#### What is something you love about Fairlie?

The beautiful scenery and very friendly people of Fairlie. It feels like we are home. Very safe and a great place to raise our kids.

#### Do you have any holidays or anniversaries that you celebrate in your family or culture?

The 15<sup>th</sup> of August we celebrate Independence Day and in October or November we celebrate Diwali with family or friends every year.

#### If you had three wishes, what would you wish for?

I only wish for one thing every day. That is if I can fly I will go every day to India to see my family there.

### Want to have it done before Christmas?

With less than six weeks until Christmas, many are already feeling the pressure of all that the Festive Season entails. Looking for a little cheer in these times, some are already focusing on Christmas as a time that will bring joy and happiness, the joy and happiness that hasn't been abundant these last months.

However we all know that with it, Christmas brings its very own problems of 'over'. Over buying, over eating, over spending, over drinking, over reacting, to the extent that we might feel we would like to be 'over' the whole thing, especially this year.

Turning it around and calming it down, we can explore alternatives to the pressure we put ourselves under. Consider the reason for the season. Spending less on gifts for children is an option. Gifts that are often forgotten or broken in just hours. Don't buy rubbish. Limit your spending and if your kids are old enough, ask them what they want. Grandparents especially – we tend to give them things we might like but they don't.

Vouchers are an option. Vouchers to shop locally in Fairlie are even better!

Calming, calming! Make plans that include time doing things together. Activities that avoid any form of conflict because as we know stress brings on conflict – so go walking, family movie night with popcorn etc, a picnic beside the river, a walk in McLeans Park and a sit beside the creek!

'Tis the season to be jolly but it's also the season to take care of you and yours! Talk of love and hope and plans for the days ahead! Focus on the good.

**He aha te mea nui ki tēnei ao?**

**Māku e ki atu. He tangata,  
he tangata, he tangata.**

**What is the most important thing in the world?  
I would reply that it is people, people, people.**

## MEET THE FAIRLIE ST JOHN OPERATIONS TEAM

*Left to right: Blue, Lyn, Anne, Christine, Alan, Courtney, Melissa, Jane, Tracey.  
Absent: Bill & Bruce*

*Over the next few months we look forward to introducing ourselves further.*

We are a passionate group of First Responders and Emergency Medical Technicians that enjoy helping our community. We meet twice a month for training, and our rosters are flexible to work with busy schedules. **We are looking for our next group of caring and enthusiastic volunteers to join our team.** Email Courtney on [courtney.cox@stjohn.org.nz](mailto:courtney.cox@stjohn.org.nz) for more information and direct links to the online application. St John provides training, uniforms and all the support you need to start on this exciting journey. We look forward to hearing from new or returning volunteers.

## Police Notebook: Russell Halkett, Fairlie Police

Reported crime has been down over the last few weeks, which has been making life better for everyone.

A Fairlie man was served with a Police Safety Order and is assisting police with their enquiries into assault complaints.

Two Fairlie youths have been picked up for drink driving and causing a nuisance at a Lake Opuha campground. They have been dealt with through the Youth Justice system.

A Fairlie man was stopped and processed for drink driving after leaving a local hotel. His drivers' licence was suspended for 28 days on the spot due to the alcohol level and issued a summons to appear at court to face an excess breath alcohol charge.

A Gyrocopter pilot and his passenger had a narrow escape last week when they got caught out with the winds around Burkes Pass. The machine was blown out of control and crashed near the Haldon Road with the lucky occupants walking away with minor scratches and bumps.

An elderly Albury man missed the brake as he came into park his car in front of the Four-Square Supermarket which resulted in him crashing into the building and trolley stand. He has been issued a written warning for Careless driving.

There have been several other vehicle crashes reported in the Fairlie and Lake Tekapo areas where the drivers have been dealt with for Careless Driving. There have been no lasting injuries, but the panel beaters have been getting plenty of work.

It appears that alcohol has been the usual factor in people getting themselves into strife again. Clearly, we need to think a bit more about our drinking behaviour and act more responsibly. The way we drink can affect many other people in a negative way and cost you more than you think. Don't overdo things during the upcoming Christmas functions. You do not want to wake up the next morning with regrets.

I would also like to remind everyone again to be extra careful as you are driving around the school zones. I hear that the speed of vehicles as they pass school buses around the district is not what it should be also. Don't forget that the speed limit when passing a school bus stopped on either side of the road to let passengers on or off is still 20kmph.

Firearms licence holders are also reminded again that it is a legal obligation to notify police of their new address within 30 days of moving. There are still a lot of licence holders coming to my attention that fail to do this. Also go and check the expiry date on your licence as the 10 years seems to roll by very quick these days. You will need to get your re-application in several months before

CONT ...

## FENZ Wayne Dixon

The siren has sounded four times in the last two weeks for the Fairlie Fire Brigade - two of those were medical calls, one was an aircraft accident and the 4th was a structure call.

Comparing calls to this time last year, we are about 10 calls behind, as are most Brigades throughout the country - there could be many reasons for this, perhaps people are more cautious through the Covid Pandemic.

No matter how many calls we get we keep the training up. Last week Marcus Dixon attended a QFF course at the FENZ Training Centre at Woolston, Christchurch. This is a 4-day course and this is the first time the course has been held at Woolston, previously fire fighters had to go to Rotorua. Thanks to Marcus for taking time away from work and his family. I'm sure Bethany and his twin boys will be pleased to have him back home!

Just a thought - if you are mowing near the footpath in front of your house perhaps check that the fire hydrant is not over grown or covered over - any issues please contact any of the fire fighters thanks.

If you need help call **111**  
Enjoy the warmer weather and have a great week!

15 Gray Street, Fairlie  
Phone 03 685 8314

it expires as the vetting process can take some time to complete, as we need to make inquiries into whether you are still fit and proper to have firearms.

Wellington is also looking very hard into all current licence holders regarding their "fit and proper person" status. The bar is set very high now and any interaction with the police is scrutinised carefully, even traffic tickets are considered, and they will be quick to revoke your firearms licence.

Russell Halkett  
Fairlie Police

## Fairlie

Thank you to all who attended the Seedling Swap, what a beautiful way to start the day! Next year we may call it a seedling swap and give-away as most growers are happy to give away extra seedlings and plants without expecting anything in return.

### Give – one of the Five ways to Wellbeing:

For some, living in an ever increasingly busy world is connected to their feeling of self-worth. But being “too busy” does not necessarily mean that we are productive. There is much research into the mental and physical impacts of an unbalanced work-life.

Volunteering is on a decline across the globe, which is sad, as it is an excellent opportunity to connect with others and be productive!

Members of the Fairlie Lions Club have given their time to build and maintain the Opihi River Track for a number of years and most of us ride, walk, forage, swim and fish along this track. As a community we can not only grow our connections to each other, we can grow our connection to place by growing native species to enhance the beauty of our river and assist with the protection of our water and bird life. An ongoing commitment is not necessary, it may just be a quick clearing of weeds around a struggling native. Taking action can be quick. Close to home, easy and will still make a huge difference.

### Community Connections:

12<sup>th</sup> Nov 10 am - Macrame with Lisa and 10 am - Making jam - come learn how to make jam or just to help.

19<sup>th</sup> Nov 10 am Local Road Safety - a discussion with Daniel Naude of South Canterbury Road Safety. Your thoughts and ideas welcome and 10 am - Learning to sew reusable grocery bags for you or others.

Above: A few like-minded volunteers - Jane, Lisa, Gin, Gus and Marion planted 100 native grasses and shrubs along the Opihi track, behind the Fairlie Holiday Park.

## Lake Tekapo

**Julie McDonald**  
mackenziecommunitytekapo@gmail.com

I hope you like the new 'Meeting people in our communities - Tekapo' feature. I'm certainly enjoying meeting and learning more about the familiar faces around our town.

It was great to have Katy from Multicultural Aoraki here last week with Steve Jones, Blu Sun Immigration Consultant. They had 15 people attend their FREE drop-in session in Tekapo. Nearly all of them qualify to apply for the 2021 NZ Resident Visa which is exciting for them.

I'm not going to tell you how many days until Christmas - that's way too scary! However what does make things so much easier at this busy time of the year, is planning. Write lists, prioritise and tick items off your list. I have a note page in my phone called GIFTS. Whenever I think of something that someone may like, I make a note in my phone so I have lots of ideas for Christmas and birthday presents.

## Meeting people in our community ...

Meet Erin and Sea. This delightful Chinese couple met in Christchurch 3 years ago. Erin has lived in NZ for 4 years and Sea has lived here for 11 years.

### Where were you born and raised?

Erin is from Chengdu and Sea is from Qingdae.

### Why did you come to New Zealand?

Erin studied Economics at University in China, then worked as an auditor in Shanghai. She got sick of looking at her laptop all day and decided to go on an adventure. She first lived in Christchurch doing a variety of jobs while also completing a Business Management Diploma.

Sea moved to Christchurch to study. After completing a Horticulture course, he worked as a tour guide all around the South Island, which he enjoyed. He is sad that due to Covid, the tour guiding work stopped.

### Where do you work?

Erin is the Restaurant Manager at Mackenzies Cafe, Bar and Grill. Sea enjoys cooking and loves to look after Erin and their home. He also likes to help out in the Restaurant when they are busy.

### What led you to settle in Tekapo?

Erin and Sea met the owner of Mackenzies and they decided to move here 2 years ago.

### What is something you love about Tekapo?

The lake, the snow, the stars and the people are always friendly with big smiles.

### What do you do for fun?

We love to play tennis together. Sea enjoys diving and snorkelling. Last year they made many trips to the Timaru swimming pool so Sea could teach Erin how to swim.

### What do you miss about your home?

1. Family
2. Food
3. Food!

## Lions Fairlie Tekapo Community Directory

Four years have past since the Fairlie Lions produced the last edition and like all publications, it needs upgrading. Resident's circumstances change, new families arrive, some leave, businesses change, there is more reliance on mobile phones, and many have terminated their landline/fax connections - **check your current listing!**

It is for the latter reason that we have been asked to upgrade the directory to reflect the community's new contact details and an opportunity for new residents to be listed. If you need to change any details, have mobile numbers added, please in the first instance go to one of the advertised locations to physically enter your changes in the registers, or email directory convenor at [adie.norm.b@xtra.co.nz](mailto:adie.norm.b@xtra.co.nz). If you have new residents in your area, please bring this to their attention.

The Directory has a quick reference to our valued advertisers and businesses who support this Lions project and is useful as a reference document as to previous residents in the Fairlie Tekapo communities.

Businesses wishing to advertise contact the Convenor **ASAP** as we want to have this printed by Christmas.

### 2022-2024 TEKAPO, FAIRLIE AND DISTRICTS COMMUNITY DIRECTORY

**Lions are going to reprint the community directory. Additions, Deletions, Alterations close for the Directory on 19th November**

**Put your name, landline/cellular number or email address in the register, by calling into Heartlands Fairlie Resource Centre, Aorangi Electric Farmlands, BP 2Go Fairlie, Albury Inn or LJ Hooker Tekapo**

**Fairlie 23 Sloane Street**

New Listing

**Idyllic family home**

The current owners have taken a lovely five-bedroom property and added some fantastic touches turning it into an ideal family home. As soon as you walk up the driveway you will feel relaxed as the grounds and established garden seem to encompass everything around you. Backing onto rural land it has fabulous views of the mountains.

**Deadline Sale** closes Monday 22nd November, 2021 at 1.00pm

**Fairlie 11 Mount Cook Road**

New Listing

**Sought after section with options**

On offer is a 1012 sqm freehold section in the centre of Fairlie, zoned Vacant Residential and Residential (9a). This means the buyer may be able to build more than one dwelling, but buyers need to confirm this with Mackenzie Council. Land like this is becoming increasingly difficult to find and offers buyers a rare opportunity to secure a blank canvas in this popular area now.

**Deadline Sale** closes Monday 22nd November, 2021 at 1.30pm, (unless sold prior)

**Holy flying mammals Batman!  
Bird of the Year winner announced**

LONG-TAILED BAT  
CLOSE UP  
CREDIT: IAN  
DAVIDSON-WATTS.JPG

A bat has won New Zealand's 2021 Bird of the Year/Te Manu Rongonui o te Tau.

This is the first time New Zealand's only land mammal has been included in Forest & Bird's annual contest, and it has flown away with the title. "I think I'm going to be fired," says Forest & Bird's Bird of the Year spokesperson Laura Keown.

After a two-week campaign that nearly broke the internet, and turned friends against one another, the pekapeka-tou-roa/long-tailed bat was the winner. "Kiwis clearly love their native bat, and they have chosen our only native land mammal to be the 2021 Bird of the Year," says Laura.

"The campaign to raise awareness and support for this little flying furball has captured the nation! A vote for bats is also a vote for predator control, habitat restoration, and climate action to protect our bats and their feathered neighbours! Long-tailed bats, or pekapeka-tou-roa, are a unique part of Aotearoa's biodiversity, but lots of people don't know they even exist," says Ben Paris, Senior Conservation Advisor at Auckland Council and New Zealand Batman.

"There are pekapeka projects spanning the whole country with conservation communities doing great mahi with our bats. Here in Auckland our bat conservation efforts have been supported by our targeted rate which has allowed us, together with our communities, to undertake a lot more work. The more citizen scientists we have out there looking for pekapeka the more conservation work we can do to understand and help them."

"These bats were added to Forest & Bird's competition to help people get to know them, and their story has flown around the world!" says Ben. Forest & Bird runs Te Hoiere Bat Recovery Project in Marlborough with the support of the Department of Conservation and Ngāti Kuia, involving 250 hectares of predator control and a bat monitoring programme to identify roost sites and protect habitat.

'Manu', does not only mean birds but includes many flying creatures including bats. The voting closed on Sunday 31 October with 56,733 votes, making it the biggest ever Bird of the Year.
